September 17, 2023 -- Put on the Belt of Truth (by Kris Bagley)

What is truth ?

We prefer comfort over truth.

Repent of worship of preference.

Return to worship in presence.

Putting on the whole armor of God is a spiritual battle in and of itself.

Ancient Assumptions of Messiah:

1. Messiah would be a political hero.
2. No one expected Messiah to be the son of God.

Observations from John 18:28-40

John 18:28:

Religious leaders wanted “justice” but not at the expense of convenience.

Jesus is the passover lamb. And the lamb was defiled for our deliverance.

John 18:31:

Comfort seeks to put truth to death.

John 18:35:

When Jesus moves close, be alert for the temptation to throw up distance.

John 18:40:

Even when the verdict is pronounced, a sinner is set free.

What is truth is a good question. Who is Truth is a better one.
