**Sermon Notes**  
**Put on the Helmet of Salvation (Kris Bagley)**

“We have a cunning adversary. Satan knows he can’t have your mind. It belongs to God. So the devil tries instead to take a piece of your mind. Not the whole thing. Just a piece. Just a corner. Just a small compartment where he can set up shop. Double-mindedness is the devil’s goal. His strategy is that part of you may find security in God, but another part of you is restless, doubting, insecure, anxious, fearful. Call it spiritual schizophrenia. One part believes truth; the other part believes Satan’s lies.”

-Christopher Kennedy, Equipped

**James 1:8 - “he is a double-minded man, unstable in all his ways.”**

If you’ve ever wondered, am I really saved, and you know that you believe in Jesus a couple things could be happening:

1. Maybe it’s guilt. If so, answer with praise and repentance
2. Maybe it’s your own mind or the voice of the enemy. Either way, it’s not God.

God’s voice leads us to trust in our salvation through Jesus Christ!

**Romans 10:9 - if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved**

The Mind of Christ isn't something we achieve, but something we receive.

The mind of Christ The Mind of Christ sees the whole picture. Romans 3:23

The Mind of Christ holds onto the right spirit 2 Timothy 1:7

The Mind of Christ seeks humility and finds glory James 4:10

The Mind of Christ knows God gives what we need. 2 Peter 2:3
